Since June 2022, dogs and cats being sold by breeders and pet shops must be microchipped.

In case you lost your dog during a disaster (like earthquakes or typhoons), the authority will be able to contact you with the information on the microchip.

★ Information on the microchip

※ will be registered in the country

① Owner's name and contact no. ② Dog or cat's information

☆If you own one, it is recommended you get them microchipped.

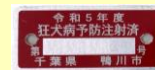

☆It can be done at the Vet, so please think about it and consider.

From April 2023, once a microchipped dog is registered with a National agency, it will be considered a dog license.

No need to register at the Environment Division.

※ Application for Rabies Vaccination form: Please apply at the Environment Division.

If you are going to be a dog owner, Registration and Rabies Vaccination of your dog is required.

From Apr. 17 (Mon), registration and vaccination can be done on locations close to where you live.

- ◆ If time is inconvenient to you, it can be done on other locations
- ◆ The dog should be 91 days old from birth and above, when you have them registered and vaccinated.

☆For owners whose dogs are registered, questionnaires will be delivered to you.

☆For first timers, there are questionnaires to fill in available at the following locations:

- ① City homepage
- ② Environment Division (City hall 2nd floor)
- ③ Amatsu-Kominato City hall branch
- ④ Branch offices (Emi, Kominato, Yoshio)
