## Fire Prevention Week! - Mar. 1 (Fri.) to 7 (Thu.)

Fires can start more easily on windy days during fall season.

Install Fire Detectors in your homes.

- When fire detectors detects smoke, it will trigger an alarm.
- It is a rule that it should be in any room that someone sleeps in and at the top of the stairs.
- If you haven't checked or replaced the batteries, please do so.

A person from the Fire Department will visit your house.

They will check if you have a Fire Detector installed.

※Note that they don't sell the detectors, don't be scammed.
