## Recycling Pet Bottles

- ① Remove cap and label, dispose in burnable garbage (orange bag).
- ② Empty the bottle and wash the inside.  
Crush it with your foot then dispose in recyclable garbage (with green colored writings).

※The following bottles are to be thrown with burnable garbage:  
Oil and laundry detergent bottles, dirty bottles, destroyed bottles.

## Proper pet care checklist!

- Dogs:**
- ☆Keep the leash short when walking your dog.
  - ☆Not bothering neighbors with barking, and properly discipline and train your pet.
  - ☆When your dog bites someone, inform the Public health center.
  - ☆Have dog checked for rabies at the vet.

- Cats:**
- ★In Chiba, it is better to keep cats inside the house because there are those who don't like the smell of cat litter and gets irritated with cat noises.
  - ★They can be protected from rabies and from getting into accidents when kept inside the house.
