

December Bulletin!

End of the year (December 28 to 31) cleaning.

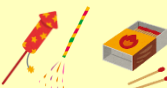

Most people plan to go to Clean Station Kamogawa on December to throw their garbage.

- ☆Please throw your garbage earlier to prevent the crowd.
- ☆Only accepting burnable garbage on December 29 (Sun.) to 31 (Tue.), and on January 3 (Fri.)

Separate lighters and batteries from burnable garbage.

It is very dangerous to throw the following with burnable garbage.

Type	Garbage bag / How to throw
Dry cell battery 	Recyclable garbage (bag with green labels) Box located at city hall and community centers.
Small batteries 	Recyclable garbage (bag with green labels) ※dead batteries ※ Throw bulging batteries at Clean Station Kamogawa.
Match/Fireworks 	Burnable garbage (orange bag) ※Even if it is not used, soak in water before throwing.
Lighters 	Non-burnable garbage (bag with yellow labels) ※Empty lighters before throwing.
Spray cans・Gas tanks 	Recyclable garbage (bag with green labels) ※Empty before throwing out.

Keep your house and bicycle safe while you're away!

Do not forget to always lock your house when you are away to prevent thieves from barging in, and if you keep your bicycle unlocked, it may be stolen.

Winter Traffic Safety Awareness Campaign!

★When: December 10 (Tue.) to 19 (Thu.)
What to be careful with when driving in winter:

- No drunk driving.
- A lot of people go out drinking during the year-end holiday. Have the person who had a non-alcoholic drink drive.
- Follow traffic rules.

Day time is shorter during winter. It will be harder to see people and cars in the dark when driving, and may lead to traffic accidents.
