Winter Traffic Safety Awareness Campaign

When: December 10 (Wed.) to 19 (Fri.)

What to be careful with when driving in winter:

•No drunk driving.

A lot of people go out drinking during the year-end holiday.
Have the person who had a non-alcoholic drink drive.

•Follow traffic rules.

Day time is shorter during winter. It will be harder to see people and cars in the dark when driving, and may lead to traffic accidents.
Please turn on lights before it gets dark.

New bicycle laws take effect on 2026.

From April 1, 2026, people aged 16 and older will have to pay a fine if they do not follow the rules or manners when riding a bicycle.
