In simple Japanese

Applications are required when burning grass in rice paddies and fields.

In winter, when the wind is strong and the air is dry, fires are more likely to start.
If you wish to burn grass in your field, please apply at the Agriculture, Forestry, and Fishing Division.

1. Do not do it alone.
2. Cut the surrounding grass. (to prevent fire from spreading)
3. Prevent on doing it on a strong windy day.
4. Prepare fire extinguishing tools to put out the fire when it spreads.
5. Be cautious and inform your neighbors when you plan to burn grass or rice straws.
