## IMPORTANT BULLETINS

**The Kamogawa Sanitation Center will be starting repairs on their incinerator which will last until March 2019.** During this time they ask that citizens reduce their waster output as much as possible. Additionally, if you could refrain from bringing in items for disposal until both incinerators are functional again, it would be much appreciated. Thank you for your cooperation. For questions call the Kamogawa Sanitation Center at 04 (7093) 5300

**There will be consultations for human rights issues concerning foreign residents on November 9th from 2PM to 5PM at the Chiba BAR Association Chambers.** Examples of human rights issues may be family-related (divorce, domestic abuse, ...) or work-related. Please bring a passport, pay slip, memorandum, and any items related to the issue. Lanugaes offered are English, Chinese , Tagalog, Spanish, Portuguese, and Thai. If you need support for a language other than this please bring your own intpreter. For help finding an intpreter or any other questions please call 043-227-8431

In celebration of Culture Day this month, I wanted to feature some local art. This is a carving from an artist named **Ihachi**, his work can be seen all around Kamogawa and the Boso Penninsula. He inspired the "Great Wave off Kanagawa" print by Hokusai.
