April is Bullying Awareness Month

In Kamogawa, April is a month to draw attention to bullying and how to stop it. We must aim to stop bullying as a community. Let's work together in putting an end to bullying! If you witness a case of bullying or get the feeling that bullying may be happening don't hesitate to call either the police or board of education or schools. If you are being bullied please tell someone you trust or reach out to a help line.

花見 - Sakura Viewing

A brief history

Hanami began in the late 8th century, when people would gather to enjoy the beginning of spring and the blooming plum trees. This tradition was originally from China but got popularized in Heian culture where plums were replaced by cherry blossoms. Enjoy a picnic or a drink and join an age

old tradition! Be sure to check out Issemba Park in Kamogawa this hanami season.
