## THROW AWAY BLANKETS/ CURTAINS WITH OVERSIZED WASTE

For carpets, curtains, blankets, etc., please put them out on the oversized waste disposal days. However, items like socks, underwear, hats, bags and the like should be put out with combustible waste.

Fishing nets and netting to keep wild animals away can not be thrown away with the Garbage Center. If you have a question about how to throw netting away please consult a private waste collection company in Kamogawa. For other questions about throwing away garbage please take a look at the guide on how to throw away garbage.

## HOW TO THROW AWAY OVERSIZED WASTE

When putting out oversized waste you have to take two steps. First, you will need to buy an oversized waste ticket (1 ticket is 500 yen) and you will have to call the Garbage Center at least 2 days ahead of the collection day to make a reservation.

If you decide to bring oversized waste to the center, it will be 70 yen for each 10 kg up to 100kg. After 100kg, it will be 120 yen for each additional 10kg.

**Questions:** Garbage Center (04-7093-5300)

## PREVENTING THE NEW CORONAVIRUS STRAND

After going out, wash your hands and gargle.

Eat balanced meals, get enough sleep, take care of your body.

Avoid crowded areas and take preventative measures like wearing a mask.

Please check Kamogawa's homepage for updated information.

## KAMOGAWA PUBLIC LIBRARY: CLOSED FEB. 24TH - MAR. 3RD

The Kamogawa Public Library will be closed for 8 days from February 24th to March 3rd to examine and take of inventory their collection of books.

During this time you will not be able to check out any books or browse through the collection at the library. If you need to return a book during this time you can use the deposit box at the front of the library, any community center, any city office branch, the Amatsu-Kominato City Hall Branch, or the Citizen Service Center on the 4th Floor of the Kamogawa Aeon.
